STEP #1

Gather

MY CHECKLIST

Check off this list as you gather your items!

- Large Toys
- Outdoor Toys
- Bedrooms
- Closets
- Playroom
- Furniture
- Kitchen
- Bathrooms
- Garage
- Basement
- Attic

Be sure to check the garage!

Kids Grow Fast!

Children typically cycle through a wardrobe every 6 months. So, if you're feeling like you have lots of outgrown clothes in your home, you're not alone! Look around for other kid items you can sell, too.

Check all over your home!

STEP #2

Sort

Sort your gathered items into three categories:

Keep the items that you just aren't ready to part with yet.

Toss the items that are too well-loved (stains, missing pieces, not working).

Sell and CASH IN on the rest that meets our JBF standards listed below!

The 4 C's

HOW TO KNOW WHAT TO SELL

Clean

The newer it looks, the better it sells. Check carefully for stains, holes, pet hair, and odor in clothing. Clean all items thoroughly.

Current

Shoppers love trendy styles that are in fashion. Make sure items are in the right season. Sell warm weather clothing and shoes at our Spring/Summer sale. Sell cold weather items at our Fall/Winter sale.

Complete

Be sure all parts & pieces are present before you tag items. Shoppers want to open their items when they get home and find everything in working order. Toys, games and puzzles must be sold as complete sets without missing pieces. Clothing items must be functional (buttons and zippers work).

Compliant

Important Safety guidelines apply when selling a booster seat, stroller, baby equipment and toys. Check safety.jbfsale.com for details.

Safety waivers are REQUIRED for all cribs & car seats.

STEP #3

Create Tags

Eagan/Apple Valley

Creating Tags

Now that you've inspected your items, it's time to log in to your JBF Profile and enter your tag data.

STEP 1: Go to jbfsale.com & click on "Login" or create a JBF profile

STEP 2: Click on the Tagging icon

STEP 3: Enter & Print Tags

Category	Size/Type	Description	Price	Reduce	Donate	Quantity
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="text"/>

3

Choose the **Category** that best fits or leave it blank if there doesn't seem to be a good match.

Enter a **Description** that includes brand name, number of pieces, color or pattern, etc.

Choose the **Size or Type** that best describes your item. All clothing and shoes must have a size. Some non-clothing items will have type to choose from. For items with no type, you may leave this field empty.

You choose the **Price**.

A check mark here will allow your item to **Reduce** to 50% off on Half Price Day.

A check mark here will allow your item to **Donate** to our local charity if unsold.

Use **Quantity** if you have more than one of the EXACT SAME item. This will print one tag with a unique QR code for EACH item.

Printing Your Tags

Print your tags on 8.5"x11" white cardstock in portrait mode.

No Printer? No Problem!

When you finish creating your tags use the "Print PDF" option and upload the PDF file to an office supply store. It will save you ink and time. You can even ask them to cut your tags!

Prep

Essential #1 - All pieces secured together

Bundle books by tying them together with a curling ribbon or string.

Use painter's tape that can be removed without damaging the item to keep boxes closed. Adhere the tag to the outside.

For wooden puzzles, use clear cling wrap or a plastic clear bag secured with packing tape.

Bundle similar arts & crafts items together in clear self-sealing bags and secure with clear packing tape.

Tagging Tip
