STEP #2

Sort

Keep | Toss | Sell

It's okay to **KEEP** the items that you just aren't ready to part with yet. **TOSS** the items that are too well-loved (stains, missing pieces, or are not working).

.....

SELL the items that meet these 4 C's:

CLEAN The newer it looks, the better it sells. Check carefully for stains and holes in clothing. Clean all clothing and non-clothing items thoroughly.

CURRENT Sell warm weather clothing and shoes at our Spring/Summer sale. Sell cold weather items at our Fall/Winter sale. Shoppers love current styles that are in fashion.

COMPLETE Be sure all parts & pieces are present before you tag items. Shoppers want to open their items when they get home and find everything in working order.

COMPLIANT Important Safety Guidelines apply to infant equipment & toys. All of the Recalls & Safety Standards are listed at **jbfsale.com** for you to check each of your items before you sell.

STEP #3 Price

Shopper-Focused Pricing

Ask yourself, "What price would make me buy this item without hesitation...and brag about my bargain to my friends?" As a "sweet spot", we suggest items be priced 1/4 - 1/3 of original price. Even if items are new, the price should not be over 1/2 of retail.

Bundle Items to Save Time

As you think about prices, we have a **\$3 minimum** for all items on a hanger. If an item is not worth that, create sets or bundles. Put an outfit of the same size together, or a set of same-size onesies. Bundle items such as accessories, socks or toys in clear bags. Shoppers love it, and you only have to create one JBF tag!

Print Your Tags

Print tags on 8.5"x11" white cardstock. Tags print 9 per page.

STEP #4 Prep

Preparing Your Items & Attaching Tags

Now that your JBF tags are printed, cut them apart and sort them by gender, type and size to make this step go smoother.

Gather these supplies to make your prep faster:

- child & adult size plastic hangers • curling ribbon/string • zip-ties
- clear self-sealing gallon/quart bags (zip-loc) • clear (saran) wrap
- clear packing tape & blue painter's tape • scissors • hole-punch
- 1 1/2" & 2" safety pins or tagging gun & barbs • batteries

CLOTHING

Hanging & Tagging Clothing

Put clothing on a **plastic** hanger (size 7+ on adult size hangers). Items on wire hangers will not be accepted as they get tangled in the racks and poke holes in shopper bags.

Direction of hangers:

Be sure the hanger hook opens to the left, like a question mark.

Attach JBF tag to the item with:

- a safety pin: at the top right area of item
- a tagging gun: in garment tag or an inside seam

NEVER puncture fabric with a tagging gun needle - it will make a hole in the fabric.

Tagging Guns

Using a Tagging Gun to Attach JBF Tags

Many JBF Sellers find it much faster to attach JBF tags to items using a tagging gun instead of safety pins.

Please follow these Tagging Gun Guidelines to prevent damage to your items.

1 Attaching To Garment Tag

If the clothing has a garment tag at the neckline, always use it when attaching your JBF tag.

2 Attaching To Inside Seam

If the clothing does NOT have a garment tag at the neckline, puncture the inside seam when attaching your JBF tag.

3 Attaching To Left Armpit Seam

If the clothing does NOT have a garment tag OR an inside seam at the neckline, puncture the item's LEFT armpit seam when attaching your JBF tag (so that your tag is closest to the shopper when the item is hung up).

Never puncture fabric with a tagging gun needle - it will create a hole

Safety Pins

Hanging single or multiple pants/skirts/shorts

With a LARGE safety pin, pin through the waistline of one or multiple same sized pants/skirts. Attach around the top angled part of a single hanger, NOT the bottom straight edge. This prevents the pants from sliding to one side of the hanger.

Putting together outfits

It's okay to bundle items into sets. Items must be of the same size. Hang the shirt first. Pin second shirt or pants/shorts to the back side, pinning through the shirt PLUS the top angled part of the hanger so it doesn't pull on on the main shirt.

Hanging multiple onesies & thin strap shirts/swimsuits

Pair up to 5 same size onesies for a set. Hang one of the onesies on a child size hanger. Arrange the others in a pile, use a LARGE safety pin to attach them to the back of the hanging onesie, going through the item PLUS the top angled part of the hanger. Pin thin strap shirts/swimsuits the same way.

STEP #4

Prep

Accessories

Use clear self-sealing gallon/quart size bags (ziploc) to bundle sets of socks, tights, under garments, hair accessories and infant mittens. Display neatly so shopper can see well. Tape JBF tag to the outside of the bag (try not to tape over barcode) and tape the bag closed.

Hats

Simply attach JBF tag to hats using a safety pin or tagging gun. No need to use a bag. The hats will be displayed by using accessory clips at the sale.

Shoes

Must be in LIKE NEW condition with NO scuffed toes or dirty leather. Use a MAGIC ERASER to clean the show (see photo). Attach with string, ribbon or zip ties. Please do not use shoe boxes or ziploc bags.

Books

Use blue painter's tape to attach JBF tag to the BACK of the book. Books that are too worn, have long inscriptions or have pages written on WILL NOT be accepted. Short inscriptions are acceptable or can be covered neatly with a white sticker.

Games

Make sure ALL pieces are included. Games must be in the ORIGINAL box. Tape the game box shut & include working batteries if needed. Tape JBF tag to the back of the game box.

Puzzles

Put together the puzzles to ensure ALL pieces are included. Puzzles must be in the ORIGINAL box. Tape the tag onto the back of the puzzle box. For wooden puzzles, fully cover the puzzle in plain saran wrap & tape the overlap securely so you can see the puzzle and keep it together.

STEP #4 *Prep*

TOYS & GEAR

Three Essentials:

- Items clean with working batteries
- Tag is attached securely (won't fall off)
- All pieces included & secured together (won't separate; tape bags closed)

LARGE ITEMS

Preparation:

Make sure to clean the items thoroughly. Machine wash any padding that can be separated from the item. An item that is too large to be put in a blue IKEA bag will need a yellow claim ticket.

At Drop Off:

Bring your printed JBF tags unattached. You will staple them to yellow claim tickets at Drop Off. Then attach the claim ticket to the actual item. This allows shoppers to claim the item without having to carry it around.

STEP #5
